

## **Transfer Guide: Applicable MCC courses to CHI Health School of Radiologic Technology (Fall 2022)**

CHI Health – School of Radiologic Technology offers a Bachelor of Science in Radiologic Technology. The program is a 23-month program and consists of lecture, demonstrations, laboratory and supervised clinical experiences. Listed below are MCC courses that satisfy the CHI Health – School of Radiologic Technology.

Every effort has been made to provide accurate information on suggested courses; however, it is the student's responsibility to consult with the institution they are planning to transfer to ensure courses fit into their intended plan of study. For additional information, please contact the MCC Transfer Center.

Admission to the Radiography program requires the applicant to present a minimum cumulative GPA of 2.5 (on a 4.0 scale) at time of application submission and successfully complete 36-45-semester hours (64.5-quarter hours) of prerequisites prior to matriculation.

For admission requirements to CHI Health – School of Radiologic Technology contact Robert Hughes at 402-572-3654, [roberthughes@commonspirit.org](mailto:roberthughes@commonspirit.org) or visit [www.chihealth.com/school-of-radiologic-technology](http://www.chihealth.com/school-of-radiologic-technology).
