

Nebraska Wesleyan University Transfer Guide for Metropolitan Community College Students Traditional Nursing (BSN) program

This program is for traditional undergraduates seeking a Bachelor of Science in Nursing (BSN) in conjunction with an outstanding liberal arts education. Students are admitted to the program once a year, with classes starting in August. Admission to the nursing program is a competitive, holistic process with two applications:

Step 1: Apply for admission to NWU as a transfer student and provide official transcripts

Step 2: Submit the BSN program application, available from **November 1-February 1** each year.

Admission requirements for the traditional BSN program are:

- Cumulative college GPA of 3.0 or above
- Completion of prerequisite courses with grades of C or better (see table below)
- Completion of Certified Nurse Aid (CNA) course and listing on the state registry
- CPR certification for Health Care Providers
- Successful background check, drug screen, immunization tracker and essential functions form
